## Hot DJ

Behind all hip parties there's a great DJ — and **Michael Smith** is one of the best! This sought-after entertainer works high-profile events like Oscar and Grammy fêtes and keeps stars like **Charlize Theron** dancing, according to reps. Can't get to see him spin? Log on to his Web site, [smitheventmusic.com](http://smitheventmusic.com), to hear his mixes.

## Hot PRINTER

Develop your own pictures instantly with Dell's new Wasabi mobile photo printer. The pocket-size, seven-ounce device produces 2"x3", full-color images quickly and wirelessly via a Bluetooth connection that hooks up to most digital cameras and mobile phones. Available in pink, blue and black. \$149, [dell.com](http://dell.com)

## Hot RESTAURANT

Sweetgreen is revolutionizing the fast food industry by serving quick, organic fare in an environmentally friendly setting. The rapidly expanding salad and yogurt chain — there are already two locations, in Washington, D.C., and Bethesda, Md., and plans for a NYC outpost — runs on wind energy and uses biodegradable utensils and packaging. Reps say **Kerry Washington** is a fan. [sweetgreen.com](http://sweetgreen.com)

## Hot FLATS

**Jennifer Love Hewitt** picked up a pair of these cute new Liz ballet flats from SwitchFlops! Each shoe comes with a removable flower secured with a snap, so you can redecorate regularly using 12 different snap-on designs (sold separately). Check out the Kelsey, Christi and Robin options shown below! The flats, which come in bronze, black and silver, are \$64; snaps are \$12 each. [switchflops.com](http://switchflops.com)
